In the Gazette it is seen that C.V. Seemvasa Rao did not pass within the required number. I also understand that he is competing for the Bundled list of the Indian Finance Deptt. His adoption of this particular Scholarship therefore is not in the circumstances in which I am to recommend to secure it unless kept on a Cadre. The other Board applicant was also a candidate for the Civil Service but subsequently withdrew her application. She being a Muslim is absent. ~~In these circumstances~~ Keep.

10 XII 13

Either of the candidates may be selected. I would prefer C.V. Srinivasa Rao. If he is accepted in the Finance Deptt. Govt of India he will not accept the scholarship.

A.N. Raghavachari M.A. — a first class Mathematics graduate who also appeared for the M.C.S. this year is also inclined to accept the scholarship if he does not get into the M.C.S. by nomination. He has the necessary qualifications for the scholarship but Lakshman Rao is much keener about ~~getting~~

Submitted to His Highness.

Consequent on the expansion of the work of th State Life Insurance Committee and in view of the possible development of Insurance business within the Stat the Comptroller recommended the grant of a scholarship to a Mathematics graduate for undergoing training in actuarial work. The proposal was sanctioned by Governmen subject to the following conditions:-

(1) that the candidate selected should be a native of Mysore and not more than 28 years of age, and (2) that he must be required to give an agreement to serve the Government for at least five years after qualifying himself. The Comptrol ; also authorised to advertise for cand

2. The total period of study and training will be about four yearsand a part of this period will be spent in England. For the period of training in India, the candidate will be allowed a scholarship of Rs.100 per mensem and for the period of training in England £200 per annum, besides second class railway fare and Ocean passage to and fro.

3. In response to the advertisement, two applicr tions were received - one from C.V.Srinivasa Rao, son c Mr.C. Venkat Rao, Forest Settlement Officer, Bangalore, and the other from B. Lakshman Rao, son of Mr. Ramaswamier, Retired Assistant Conservator of Forests, Mysore Service. The former having since obtained employment in the Indian Finance Department, the Finencial Secretary and the members of the Council are agreeable to the grant of the scholarship to the other candidate, viz., B. Lakshman Rao. He has passed the B.A. degre

examination taking a First class in Mathematics.

4. I solicit the gracious sanction of His Highness to the above recommendation.

SIR,

With reference to the advertisement issued in accordance with Government Order No.Fl.1218/B.7-13-2 dated 25th August 1913,invitin applications from first class mathematics graduates who are natives of Mysore, for award of scholarship for a course of Actuarial training, I have the honour to state that only two such application have been received by me, and to submit the same herewith for the Orders of Government. One of the applicants is C.V.Srinivasa Rao, son of Mr. C. Venkata Rao, Forest Settlement Officer, while the other is B. Lakshman Rao, son of Mr. B. Ramaswami Iyah, retired Assistant Conservator of Forests. Of the two applicants, I should prefer the former as possessing superior academical qualifications, having not only secured a first class in each of the three branches of B.A., but also passed the M.A. Degree Examination in Mathematics I understand however that he has appeared for the recent Mysore Civil Service Examination; and in case he should come out successful in that examination and refuse the scholarship, the other applicant may be granted the scholarship.

2. I may add that each of the applicants has expressed his willingness
